## Heavitree is Outstanding!!

Members of the Heavitree *Squilometre* group collected the "Outstanding" award at the RHS Award ceremony in Yeovil in October 2018 on behalf of all the community participants active on Fore Street, Heavitree this summer.

"Outstanding" is the highest award in the It's Your Neighbourhood category and 40% of the weighting is for community involvement.

It is particularly satisfying to see the hard work of the Fore Street traders, the Green Pod and other resident participants plus our two local schools being recognised in this way.

It is hoped that the positive legacy and the underpinning "Shop Local" message will have lasting benefits for all.

Level 5 - Outstanding

## Where next? Take your vote!

There are two nominations, made by you the Heavitree community, currently battling it out for top spot. Both suggest large projects with lots of opportunity for reminiscence, community events, collaborative school projects and fun outdoor events. In fact, all the best hallmarks of a full on *Squilometre* project. So we're going to dedicate 2019 to the winner of your vote! So take your vote now and tell us which you'd like to see next year .... Or vote for one of the other nominations ... Or make a new one ..... **THE CHOICE IS YOURS!!!**
